2018-2019 Programs at the Interlaken Inn

NEW! Speak Easy Escape

“The greatest, gaudiest spree in history” is how F. Scott Fitzgerald described the Roaring Twenties in his book, “The Great Gatsby”. The opulent way of life of the East Coasters involved boot-legging, riches, the creation of the “Speak Easy” and delicious finger foods.

Dinner Event Theme: The Roaring Twenties (Dress appropriately)

Intro: Each attendee will have an invitation delivered to the guest room which will include a password to enter Interlaken’s “Speak Easy” as well as a clue to lead them to their destination and a 20’s themed swag bag!

Scene 1: Attendees arrive at the Speak Easy only to be “locked” in with their “Bees Knees” cocktails and finger foods where they must solve a series of clues/puzzles to escape the Prohibition Raiders. Once the puzzles are solved, the group will pair up and one of each pair will be blind-folded and led to their next destination to continue their progressive dinner.

Scene 2: Group arrives at dinner destination to find that their dinner host has been arrested due to producing “bathtub gin”! They are given their scenario and instructions to prepare their 1st course utilizing only the ingredients partially prepared for them before their cook went to jail. After preparation and consumption of their 1st course, their entrees and special dessert will be served by our “Gatsby” team. Of course there will be plenty of Jazz music for entertainment and the themed cocktails continue flowing!

Photo Safari

The Interlaken's Photo Safari is the most fun you can have - and still call it team building. This interactive event stirs competition between teams, and builds camaraderie among individuals.

Each team is provided a digital camera and a list of items, locations and 'scenes' around the resort's property. The task - to work cooperatively to find and take a photo of their team interacting with the location or item within 90 minutes.

At the end of the Safari we conclude by viewing each team's photos and deciding as a group whether they get the points and the team with the most points wins! The photos get put onto a CD for your group to take back to the office.

Approximately 1.5 hours in length.

Rafting Expedition

Problem-solving, negotiating, time-keeping and observation skills are all needed to complete this activity - but most of all you need to want to have fun!

A team consists of 6-10 people each and they are responsible for building a water-worthy raft able to stay afloat with participants aboard.

We provide all the items necessary; however, teams must bargain and perform tasks to acquire their items from our "Raft Trading Post". Once the trading is completed, teams will assemble their rafts and name their vessel.

The final portion of this exercise is to test the crafted rafts at our gorgeous lake front! Each team will select three crew members to race against the other teams. Of course our judges will have medals and special awards to be handed out at the completion of the race.

Groups of 12 to 75 | \$55++ per person

Culinary Challenge

You've seen the various Culinary Reality Shows on television, now put your group's culinary expertise and ability to work together to the test!

The group is divided into teams at the beginning of the challenge and given a work station with limited ingredients and one secret ingredient available to all.

They are asked to don their aprons and devise a two course menu which they will then have to cook together as a team within a limited amount of time. As any Chef knows, the kitchen is an ever-changing environment - you never know what challenges may be presented to overcome as a team.

While cooking they are judged by our Chef and Management Team on creativity, use of ingredients, plate presentation, taste and teamwork.
